Artboard 4(HOME)

The image shows a smartphone displaying a mobile application interface. At the top, there is a dark blue header bar with a white menu icon (three horizontal lines) on the left, and three circular icons on the right: a red phone receiver, a blue message bubble with a dot, and a white power symbol.

Below the header is a circular profile picture with a blue and white logo in the center.

The main content area features a large image of two medical professionals, a doctor and a nurse, looking at a tablet together. Overlaid on this image is the word "CONSULTATION" in bold black capital letters.

Below this section is a heading "Recommended For You" followed by four circular icons with labels:

- Pharmacy
- Physical Trainer
- Diet Chart & Tips
- Lab

Underneath these recommendations is a section titled "Self Tests/Surveys" featuring a small image of a hand holding a test strip over a grid of results. Below the image is the text "An opportunity to be your own doctor!!".

The next section is titled "Subscription Plans" and contains two options:

- Standard**: Rs. 750 per month. Includes Support 24/7 and Free consultation with Standard doctors. A "SUBSCRIBE" button is present.
- Prime**: Rs. 1050. Includes Support 24/7 and Free consultation with Prime doctors. A "SUBSCRIBE" button is present.

The final section is titled "Coupons and Offers" and displays two promotional cards:

- A card for a doctor with the text "Get Rs.100 off on your consultations USE DOC50".
- A card for a lab with the text "Grab your 20% discount on your blood routines @DDRC Labs".

At the bottom of the screen is a dark grey footer bar with the text "Post a Review +".

The screenshot shows a mobile application interface. At the top, there is a dark blue header bar with a menu icon (three horizontal lines), a red phone icon, a blue message icon, and a white power button icon. Below the header is a circular profile picture with a blue border.

The main content area features a banner with the text "LAB TESTS" overlaid on an image of a laboratory setting. Below the banner is a section titled "Recommended For You" featuring four circular icons: "Pharmacy", "Physical Trainer", "Diet Chart & Tips", and "Lab".

Underneath this is a section titled "Self Tests/Surveys" with the subtext "- An opportunity to be your own doctor!!" and an image of a hand pointing at a self-test kit.

The next section is "Subscription Plans" with two options: "Standard" (Rs. 750 per month, 24/7 support, free consultation with Standard doctors) and "Prime" (Rs. 1050, 24/7 support, free consultation with Prime doctors). Each plan has a "SUBSCRIBE" button.

The final section is "Coupons and Offers" with two cards: one for "Get Rs.100 off on your consultations" with code "DOC50" and another for "Grab your 20% discount on your blood routines @DDRC Labs".

At the bottom, there is a "Post a Review +" button with a plus sign and a small icon.

The image shows a smartphone screen displaying a mobile application interface. At the top, there is a dark blue header bar with a menu icon (three horizontal lines), a red circular icon with a white phone receiver, a blue circular icon with a white bell, and a blue circular icon with a white power symbol. Below the header is a circular profile picture with a blue and white logo.

The main content area features a banner with the text "DE-ADDITION TREATMENTS" overlaid on an image of various medical items like syringes and pills. Below the banner is a section titled "Recommended For You" featuring four circular icons labeled "Pharmacy", "Physical Trainer", "Diet Chart & Tips", and "Lab".

Underneath this is a section titled "Self Tests/Surveys" with the subtext "- An opportunity to be your own doctor!!" and an image of a hand pointing at a self-test kit.

The next section is "Subscription Plans" with two options: "Standard" (Rs. 750 per month, 24/7 support, free consultation with Standard doctors) and "Prime" (Rs. 1050, 24/7 support, free consultation with Prime doctors). Each plan has a "SUBSCRIBE" button.

The final section is "Coupons and Offers" with two cards: one for "Get Rs.100 off on your consultations" with code "DOC50" and another for "Grab your 20% discount on your blood routines @DDRC Labs".

At the bottom, there is a call-to-action button labeled "Post a Review +".

The image shows a smartphone screen displaying a mobile application. At the top, there is a dark blue header bar with a menu icon (three horizontal lines), a red phone icon, a blue message icon with a notification count of 1, and a power button icon.

Below the header is a circular profile picture with a blue background and a white logo.

The main content area features a banner with the text "HEALTH BLOG" overlaid on an image of a laptop displaying a "Health blog" page.

Below the banner, a section titled "Recommended For You" displays four circular icons with labels: "Pharmacy", "Physical Trainer", "Diet Chart & Tips", and "Lab".

Further down, a section titled "Self Tests/Surveys" shows a hand pointing at a document with various test results. Below this, a sub-section says "- An opportunity to be your own doctor!!".

A section titled "Subscription Plans" compares two plans:

- Standard**: Rs. 750 per month. Includes Support 24/7 and Free consultation with Standard doctors. A "SUBSCRIBE" button is present.
- Prime**: Rs. 1050. Includes Support 24/7 and Free consultation with Prime doctors. A "SUBSCRIBE" button is present.

A section titled "Coupons and Offers" features two promotional cards:

- Offer 1**: A doctor's portrait with the text "Get Rs.100 off on your consultations USE DOC50".
- Offer 2**: A woman's portrait with the text "Grab your 20% discount on your blood routines @DDRC Labs".

At the bottom, there is a call-to-action button labeled "Post a Review +".

The image shows a smartphone screen displaying a mobile application. At the top, there is a dark blue header bar with a menu icon (three horizontal lines), a red phone icon, a blue message icon with a notification count of 1, and a power button icon.

The main content area features a large banner with a teal background and a stylized profile of a person's head. The words "MENTAL HEALTH" are prominently displayed in white capital letters across the center of the banner.

Below the banner, the text "Recommended For You" is centered. Underneath this heading are four circular icons with corresponding labels:

- Pharmacy
- Physical Trainer
- Diet Chart & Tips
- Lab

Further down, there is a section titled "Self Tests/Surveys" featuring a small image of a hand pointing at a document with various letters (A, B, C, D, E, F, G, H) and numbers (1, 2, 3, 4, 5, 6, 7, 8). Below this image, the text reads: "An opportunity to be your own doctor!!".

The next section is titled "Subscription Plans". It contains two plans:

- Standard**: Rs. 750 per month. Includes Support 24/7 and Free consultation with Standard doctors. A "SUBSCRIBE" button is present.
- Prime**: Rs. 1050. Includes Support 24/7 and Free consultation with Prime doctors. A "SUBSCRIBE" button is present.

Finally, the "Coupons and Offers" section displays two promotional cards:

- A card for a doctor with the text: "Get Rs.100 off on your consultations USE DOC50".
- A card for a lab with the text: "Grab your 20% discount on your blood routines @DDRC Labs".

At the bottom of the screen, there is a dark grey footer bar with the text "Post a Review +".

TEST REPORT		
Patient Name: MRASHA SAVLA	Referring Doctor / Lab Name: M BHULI SANJHIVI	Sampling Date: 07-Jun-16 4:01:00 PM
Age: 51 Years ADULT	Sample ID: BST958	Registration Date: 07-Jun-16 4:01:00 PM
Sex: F	Centre Code: MVU113	Report Date: 08-Jun-16 7:46:22AM
Reference ranges provided for Age Group ADULT		
Angiotensin Converting Enzyme (ACE)		
TEST DESCRIPTION Angiotensin Converting Enzyme (ACE)	VALUES OBTAINED 20	REFERENCE RANGES 8 – 52 U/L
Angiotensin converting enzyme (ACE) is an enzyme catalysing the conversion of Angiotensin I (10 amino acids) to Angiotensin II by removal of a C-terminal His-Leu dipeptide. ACE is found on all endothelial cells and play a vital role in maintaining blood pressure control as part of the renin-angiotensin-aldosterone system.		
Method: Photometry

CONFIRMCANCEL

The image shows a mobile application interface. At the top, there is a blurred background image of a hand holding a smartphone. Overlaid on this is a white rounded rectangular box containing payment details. Inside the box, the text "Total Payment" is at the top, followed by "Rs. 490" in large red font. Below this, there are two columns: "Date" with "19 Jan 2020" and "Tym" with "Monday, 15:00". To the left of the main content is a small blue arrow pointing left. Below the summary box, the text "Payment Method" is displayed in bold black font. A list of payment methods follows, each with a right-pointing arrow: "Debit / Credit card", "Net Banking", "UPI", "Wallet", and "EMI".

H1

The image shows a smartphone screen displaying a mobile application for health and wellness. The top navigation bar includes a "Home" button and a user profile picture of a man named Joshua. The main content area features a "Health Tips" section with a card for "Sujok Therapy" which is labeled "Free" and has a rating of three stars. Below this is a "Todays Meal" section showing three meal options: "Breakfast" (eggs and toast), "Lunch" (salad with salmon), and "Dinner" (bacon). To the right of the "Breakfast" and "Lunch" cards is a right-pointing arrow. The bottom section is titled "Progress Last week" and displays four circular progress indicators: "Calories" (Kcal) at 75% (green), "Food" (Fats) at 25% (red), "Carbs" at 55% (yellow), and "Protein" at 45% (orange). At the very bottom are three icons: a book, a plus sign, and a shoe.

H2

The screenshot shows a mobile application interface for a health and wellness platform. At the top, there's a red header bar with the word "Health" in large white letters, followed by "Welcome Back, Joshua". A circular profile picture of a man is on the right, and a "Home" button is in the top right corner. Below the header, the main content area is divided into several sections:

- Health Tips:** A card featuring a photo of hands being massaged, labeled "Free" and "Sujok Therapy" with three stars.
- Todays Meal:** A section showing two meal options: "Snacks" (a photo of bacon and a small bowl) and "Dinner" (a photo of a variety of Indian-style dishes). To the right of the dinner photo is a left arrow icon.
- Progress Last week:** Four circular progress indicators:
 - Calories:** Kcal 75% (green circle)
 - Food:** Fats 25% (red circle)
 - Carbs:** Carbs 55% (yellow circle)
 - Protein:** Protein 45% (orange circle)
- Bottom navigation:** A purple rounded rectangle containing a white plus sign (+), flanked by icons for a book and a running shoe.

What is Sujok Therapy?

Sujok Therapy helps to heal certain physical problems such as headache, migraine, vertigo, hypertension, bronchitis, gastric problems, acidity, constipation, irritable bowel syndrome, back, and spinal cord problems.

Thumb

It represents the head and the neck. It has only two sections. The tip represents the head and the lower section represents the neck.

Index and Little finger

They represent the left and right arms respectively. Starting from the bottom of these fingers, its three divisions represent the upper arm, lower arm, and palm.

Middle and Ring finger

They represent the right and left legs respectively. Starting from the bottom of these fingers, its three divisions represent the thigh, calf, and foot.

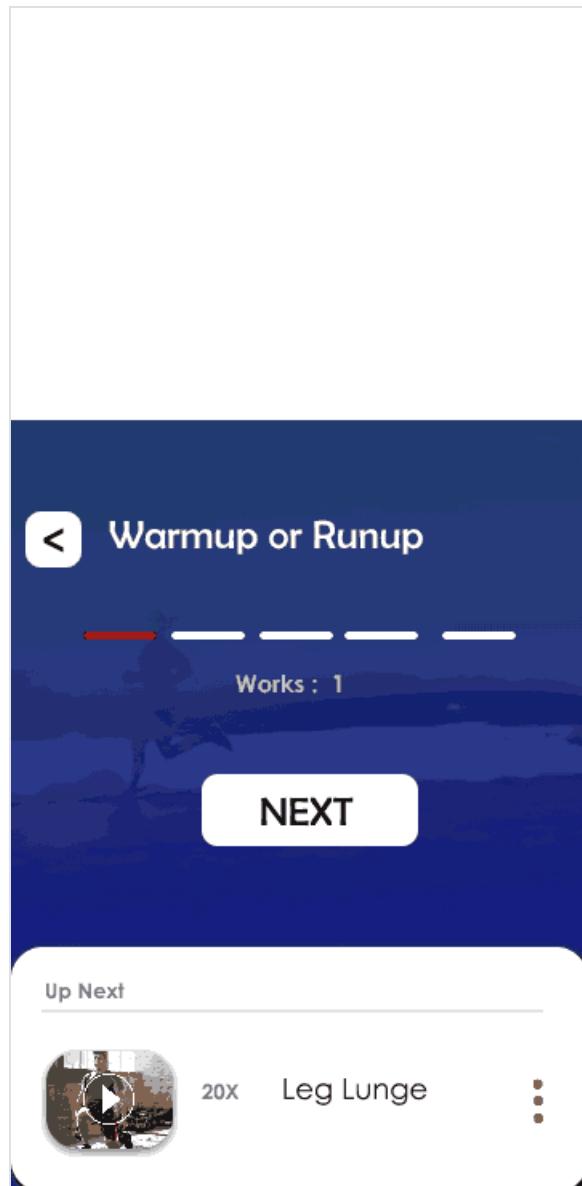

Bulgy part of palm

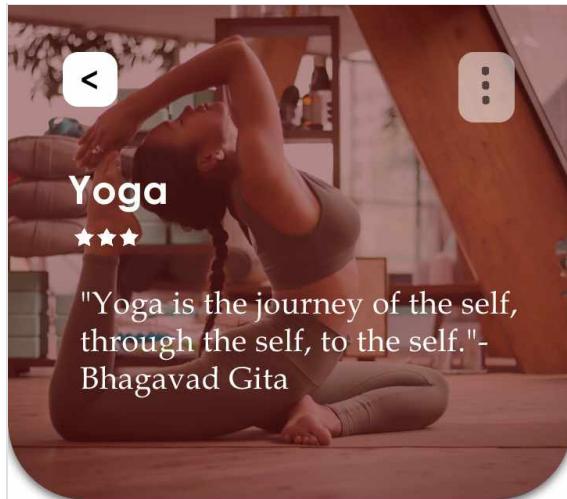

It represents the diaphragm, to the left of which lies the heart and lungs.

Palm:

It represents the torso, while the backside of the hand corresponds to the back. Similarly, the feet also contain all the body parts as well.
